

Welcome back everyone. I hope you all had a wonderful summer. It is hard to believe we are already into September. With that being said, its that time of year again for BOXTOPS. We will again be collecting boxtops at Elmwood and Maplewood. The boxtops collected will be submitted to the boxtop company which will provide money to offset various PTC activities for our students. Your participation with boxtops is greatly appreciated. A few things to remember about boxtops:

- 1.) Make sure to check all dates on the boxtops. Expired ones can not be submitted.
- 2.) Make sure when cutting the boxtop out you leave the expiration date visible.
- 3.) Make sure when sending the boxtops to the school you either put them on a boxtop collection paper or into a pastic bag, clearly marked with your child's name and teacher's name.

If you have any questions about Boxtops dont hesitate to get ahold of me Anna Schiel 567-204-2858 or at thatonegirl25@hotmail.com. Thanks again and Happy clipping

Shawnee Elementary PTC

THE SKY'S THE LIMIT WITH
BOX TOPS FOR EDUCATION

Box Tops can really add up! The more you clip, the bigger difference you can make for your school!
