

# Maplewood

January Newsletter 2017

Mr. Larry Foos  
Principal

Dear Parents,

I wanted to take the time to welcome everyone back and wish our Maplewood Family a Happy New Year. Ms. Harper and her students had another successful Christmas Program. The students did a wonderful job performing and entertaining their audiences at Maplewood. As always, parents and family members strongly supported our students and staff during this event.

Bingo Nacho Math Night will be held Wednesday, January 18, 2017 from 6:00 p.m.-8:00 p.m. There will be informative breakout sessions for parents. Students will be completing Math activities with our Professional guests. Students and parents will play bingo for the last hour of the evening with opportunities to win prizes donated by our Shawnee PTC.

Sincerely,

A handwritten signature in cursive script that reads "Mr. Foos".

Mr. Foos  
Principal

## Teacher's Corner

- Our Phys. Ed. Teacher, Ms. Cornell, wanted to thank everyone for their participation in this year's Jump Rope for Heart at Maplewood. This activity helps raise awareness to our students of how important exercise and healthy eating is to our bodies.
- Parental Status, address changes or new phone numbers. If you move, or custody of your child changes, please let the office know as soon as possible. This information is very important for accuracy of maintaining student files and mailings.
- Parents, make sure you send a note or call the office if your child is being picked up after school or if there's a bus change.
- "All parents whose child attends a Title I building may request information regarding the professional qualifications of their child's classroom teacher, including: whether the teacher has met state qualifications and licensing criteria for the grade level and subject area taught. *Maplewood is proud to report that 100% of our teaching staff is highly qualified!*"
- All Field trips are possible due to the support of the Shawnee Elementary PTC. These members graciously volunteer their time to make great activities for our students, even better.
